

PRIVACY POLICY

We inform you that we (Xteque s.r.l.) will process your data lawfully and fairly in full respect of your rights and, in particular, your privacy. Both computer and non-computer methods will be used to process your data.

We will process the following data:

Registration data – When you register, we acquire your personal data (first name, last name, e-mail address, address, fiscal code and/or VAT number, mobile phone numbers, Voip, password, etc.).

Log data – When you connect to our system, it will automatically record the information that your computer sends us.

This information may regard the uploaded content, the performed operations, the IP address from where you are requesting services, the date and time of your request, etc.

Depending on the connection method you use, we can also send your computer one or more cookies – these are small files that contain a string of characters that identify your computer.

Communications – When you send us an email or another communication, we record this communication.

Your data will be processed for the following purposes:

- to provide you with our services
- to protect the technical operation of our computer system
- to protect and improve our services and develop new ones

Solely in order to provide you with our services, your data may also be passed on to third parties that collaborate with us and handle phases of the processes necessary for our activities to be carried out correctly, and therefore, purely by way of example, your data may be passed on for registering the invoice or for discharging all other legal obligations.

We may also process your data to process analyses aimed at measuring our customers' degree of satisfaction and the popularity of our services.

Giving data is mandatory and essential for the supply of our services.

We (Xteque S.r.l.) are the data controllers for the processing of your data, and if you have a query you can write to us at the following address:

Xteque S.r.l., Torino, 10122, via Stampatori 4.

You can also contact us by sending an email to info@purepowua.com or using other contact data available at <http://www.purepowua.com/support/contact>

We also remind you that the law protects your rights to access, update, and correct your data and object to the processing of your data. These include, purely by way of example, the rights to obtain confirmation of whether or not data concerning you exist, and to be informed of them in intelligible form, information about the source of the data, the purposes and methods of processing, the updating, correction or integration of your data, the erasure, anonymization or blocking of data processed unlawfully, and the right to object, in whole or in part, to their use.

In any case, without prejudice to the cases where the law authorizes the processing of data without the consent of the data subject (for example, to fulfil legal obligations or to comply with orders from public authorities, including the judicial authority) we will not use your personal data for purposes other than those for which you authorized us to use them. If you wish so we can use your personal data to send you informations on our initiatives, promotional codes and new services and product or any other marketing action.

The subscription to this managing mode is facultative. If you don't allow us we will not be able to send you those informations.
